PETITION TO WITHDRAW HOLDING OF ABANDONMENT

Sir:

The Applicant herein petitions under 37 C.F.R. § 1.181(a) to withdraw the holding of abandonment related to the Applicants in a Notice of Abandonment that was mailed by the Patent Office on May 18, 2006 for the alleged failure to respond to the Office Action mailed September 20, 2005.

Applicant submits that a response was filed on October 20, 2005 and was received by the USPTO on October 24, 2005. After further review, Applicant became aware that the Serial No. on all of the documents contained an inadvertent typographical error and was mistakenly typed as 10/763,848 in which the correct Serial No. on all the documents should have read 10/761,848. Applicant was not made aware of this error until the Notice of Abandonment was received. As directed in M.P.E.P. §711.03(c)(I)(B), the Applicant submits the following enclosed documents to provide evidence that the Applicant fully replied to the Office Action on September 20, 2005:

1. A copy of the Response to Restriction Requirement on 2 pages.
2. A copy of a stamped, returned postcard acknowledging receipt of Item No. 2 by the U.S. Patent and Trademark Office on October 24, 2005, and a copy of the Transmittal Letter.

In light of the foregoing evidence, Applicant request that the holding of Abandonment of this application be withdrawn. In light of Applicant's *prima facie* showing that a response was filed in a timely manner, the Applicants submit that no fee is due for this petition. However, please charge Deposit Account No. 02-1818 for any petition fee and any other fees which may be required, or credit any overpayment to Deposit Account No. 02-1818.

Respectfully submitted,

RESPONSE TO RESTRICTION REQUIREMENT

Sir:

This Response is submitted in response to the Office Action dated September 20, 2005. The Office Action issued a restriction requirement under 35 U.S.C. § 121, stating that the Application contains claims directed to the following patentably distinct species of the claimed invention:

Species A: claims 1-5 and 10, drawn to a bandpass filter device which may consist of only a single bandpass filter classified in class 398 subclass 43.

Species B: claims 6-9, drawn to a WDM bandpass filter arrangement that must consist of a plurality of filters classified in class 385 subclass 27.

In response, Applicant elects, with traverse, Species A – claims 1-5 and 10. Applicant reserves the right to file one or more divisional applications to the non-elected claims.

If any additional fees are due in connection with this application as a whole, the Examiner is authorized to deduct such fees from deposit account no. 02-1818. If such a

deduction is made, please indicate the attorney docket no. (0112740-912) on the account statement.
